Land Acknowledgement

St. Paul's is situated on the traditional territories of the Erie, Neutral, Huron-Wendat, Haudenosaunee, and Mississaugas. This land is covered by the Dish With One Spoon Wampum Belt Covenant, which was an agreement between the Haudenosaunee and Anishinabek to share and care for the resources around the Great Lakes. All peoples have been invited into this treaty in the spirit of peace, friendship and respect. We further acknowledge that this land is covered by the Between the Lakes Purchase, 1792, between the Crown and the Mississaugas of the Credit First Nation.

Land acknowledgments are essential as we move forward on a path to reconciliation and are guided by the Truth and Reconciliation Commission's 94 Calls to Action.

St. Paul's is an Inclusive and Affirming Congregation

The church is called to be a welcoming, nurturing, loving and supportive community—a true church family. As affirmed by the 2021 General Assembly, all people whatever their sexual orientation or gender identity are equally beloved by God. The Session of St. Paul's endorses these truths and will strive to create a church where all people are included and affirmed.

*An automated external defibrillator is available

MISSION MOMENTS

Presbyterians Sharing is transforming lives in Central America and Mexico. Based in Guatemala, General Coordinator Judith Castañeda and the staff of the Protestant Center for Pastoral Studies in Central America (CEDEPCA) are empowering women and girls through their ministry of accompaniment. Women learn how to take on leadership roles in churches and their communities through faith-based activities about their personal and legal rights, and the importance of formal education. After completing CEDEPCA’s Healthy Relationships course, one woman said, “I feel like a different woman. Before, I used to live locked in my home with a domestic routine, but now I have new friends, we do creative things.”
